[REDACTED]

In July 1950 construction work was in progress under Soviet supervision at the plain of Preajba, southeast of Targu Jiu (R 25/V 42). *

25X1A

- * [REDACTED] Comment. This is the first report on the construction of an airfield southeast of Targu Jiu. An improvised airfield with four wooden hangars is located north-northwest of Targu Jiu, just south of Stanesti. According to the location reported, the fields are not identical.
